

Christ Episcopal Church and Beaches Habitat for Humanity

Apostle Build 2010-2011

In the spirit of giving, Christ Episcopal Church will participate in Apostle Build by contributing 1/12th of the sponsorship cost of a home and 1/12th of the volunteer labor necessary to construct the home on Thursdays and Saturdays for the next six months.

This program is a hand up, not a hand-out. Through volunteer labor and donations of money and materials, Habitat builds and rehabilitates simple, decent houses alongside the homeowner (partner) families. Habitat is not a give-away program. In addition to a down payment and monthly mortgage payments, homeowners invest hundreds of hours of their own labor (sweat equity) into building their Habitat house and the houses of others.

All skill levels are welcomed

While having skilled volunteers helps, the staff will always train anyone willing to eliminate substandard housing at the Beaches. There is always something for everyone to do. Each day, there will be several different assignments available, you can choose. No one will perform any work, they don't wish to do.

Volunteers should wear sneakers or work boots and bring work gloves if you have them. If not, work gloves and hard hats will be provided.

Water and snacks will be provided at break time. Lunch will be provided by Christ Church at noon on each day the church staffs the site.

How to Sign Up

1. Register online as a habitat volunteer. This just takes a few minutes:
 - a. Go to www.beacheshabitat.org
 - b. Select "Volunteer"
 - c. Select "individuals Volunteer"
 - d. Select "register" and "new Volunteer"
 - e. Follow the prompts, it's not difficult
2. Pick the dates you can volunteer
3. Show up and do God's work for those in need.
