

## WHAT GIFT WILL YOU GIVE THIS CHRISTMAS?

We all have a gift which is amazing and generous - Jesus. Our relationship with God is something which God gives freely and without limit. It is a gift to be shared. At this time of giving are you ready to share this amazing gift with one other person?

## WHO CAN YOU BRING TO THE MANGER?

Who is that one person who you find yourself wishing would come to Church or find the hope and love which you have in your life? It might be a friend or relative. It might be someone you work with or the person who is at the register at the store. Just one person. Ask God this question: "Who should I share the gift of Jesus with this Christmas?"

## WHAT HAS GOD DONE FOR YOU?

Even if your faith is shaky sometimes, think about what Christmas means for you as you hear the story of Jesus' birth, read and sing the well-loved carols. When have you felt close to God? When has your faith comforted you and sustained you? What does it mean to you to be a follower of Jesus? Those answers are enough, no matter how small they may seem. They are evidence of God working in your life. We are all works in progress.

**PRAY FOR THEM.**
